SOUTH CENTRAL RAILWAY
Office of Principal Chief Materials Manager,
6th Floor, Rail Nilayam, Secunderabad – 25.

No. PS.Misc.GTE.1   Date: 05.03.2024

Following are the items which are of **imported in nature** and purchased by SCR. No local sources (Indigenous Manufacturers adding local content value addition more than 20% or as per Make in India Policy) are available for these items. The detailed description along with current requirements and estimated five year procurement plan is given as below. Most of these items are purchased based on the the actual requirements of the Security Department. Indigenous manufacturing firms are requested to develop equivalent products and participate in tenders published for these items by South Central Railway.

S.No.	Item Complete Description	Estimated requirement for current FY 2023-24	Next Five Years/Three Years requirement/ Procurement plan
1	Forensic image and video enhancement software (Eg Amped FIVE)	1	The requirement of this product is **one time procurement** , Life time of the item proposed (In Years) – Perpetual item. The local content of the required software is less than 20% and also does not have sufficient suppliers that can meet the specific requirements or standards of the required software. Hence, proposed for global tender.
