** The retired employee exercised option for fixation of his pay on promotion under FR 22 i.e. after accruing annual increment. Accordingly his pay was fixed granting promotional increment after accrual of annual increment and therefore granted one more increment after 6 months to the said promotional increment as per Srl.Crl.NO.1/20 and his pay fixed. Thus, he is eligible for annual increment only after completion of 12 months from the date of accrual of last increment. As the employee retired from service before completion of 12 months, not eligible for one notional increment.

It may be noted that the above list is not exhaustive. On finding any other applicant/s as ineligible for one notional increment at a later date, the same will be advised separately.
