

Materials Management Department

Introduction

Major activity undertaken by Materials Management Department (Stores Department) is procurement of goods as required by various departments of Indian Railways.

Scrap mobilization and disposal is another major activity entrusted to Stores Department. Scrap is disposed-off through e-Auction on IRePS (www.ireps.gov.in). Low value scrap is sometimes disposed-off through tender sale also.

Organisation:

Sr.	Name Of Officer	Designation	Rly. Phone	Mobile No.
1.	Sh. Kartikeya Gadakh	Senior Divisional Materials Manager (Sr. DMM)	32018	9701379009
2.	Sh. T. Devendra Swamy	Assistant Divisional Materials Manager (ADMM)	33488	9701370784

Procurement

Procurement of material used by various departments of Indian Railway is arranged by Stores Department. All supply contracts (aka Stores Contracts) are entered into by SrDMM or ADMM. Normally, all procurement is done through online tendering process on Indian Railways E-procurement System (IREPS) or Government e- Marketplace (GeM).

Scrap Sale

All types of scrap generated by Railways is disposed-off through online e-auction on IREPS platform by Stores Department regularly. Sometimes, low value scrap is sold through tender sale also. The auction schedule of e-auction is published well in advance on our website.

Divisional Stores Depot

Divisional Stores Depot, Guntur is operational in Nallapadu. Scrap lots of miscellaneous ferrous items are formed in the depot, which are sold regularly via e-auction. Also, some new items are also stocked in the depot for supply to Divisional Railway consumers.
