(Total Seventy eight employees only)

The financial up-gradation under MACPS is subject to the following conditions:

1. The employees have an option under Rule 1313(FR22)(I)(a)(i)-RII for fixation of pay in higher grade pay on grant of MACPS.
2. There will be no change in the designation/status at present which they are holding on substantive appointment. However, the employees are entitled to certain other benefits which are linked to pay drawn by an employee such as HBA, allotment of Govt. accommodation etc.
3. The financial up-gradation under MACPS would be on non-functional
4. The MACPS contemplates merely placement on personal basis in the immediate higher grade pay and shall not amount to actual promotion of the employee concerned.
5. Financial up-gradation is purely personal to the employee and has no relevance to his seniority position, as such there will be no additional financial up-gradation for the senior employees on the ground that the junior employee has got higher grade pay under MACPS.
6. There shall, however, be no further fixation of pay at the time of regular promotion in the hierarchy.
