

In order to have uniformity and desired information flow regarding VCD working, it is desired to have proper format to conduct the drive. Accordingly, please find herewith the format for conducting VCD health check on continuous basis and necessary feedback on the same to be given by the Div TLC to the SCR/HQrs/TLC on daily basis to apprise the CEE/SC please.

VCD Isolation Analysis Format to be repeated by LP to TLC office in each trip while reporting Loco Log Book remarks

Name of LP	Date	Loco No	Home Shed	VCD make	Train No	Date of Isolation	Reason for Isolation (if PR, Normalize the VCD and identify possible reason if not working) @ crew changing point

Read the letter of the drive carefully, understand the spirit of the drive and implement it with letter and spirit
