सिकंदराबाद Secunderabad

No.G.265/V/System Improvement/Tfc

तारीख Date: 10 July 2017

DRMs/SC, BZA, GTL, HYB, NED, GNT

Sub: System Improvement in the working of Parcel Office.

* * *

There have been a number of complaints related to the working of Parcel Office with regard to handling, weightment, overcharging/ undercharging and working of contractual and departmental staff in the Parcel Office area. As a system improvement, it was advised to install CCTV cameras in the Parcel offices and connected to nominated Supervisor/Officers at the station/Divisional Office so that the parcel office can be monitored. Secunderabad Parcel office was taken up as a pilot project and accordingly, CCTV has been installed at Secunderabad Parcel Office.

Now it is suggested to install CCTV Cameras in stations where there is high amount of parcel handling in your Divisions to monitor the parcel office activities. Capacity of the Hard Disc shall be to record the activities for a minimum period of one month. Action Taken on the suggested system improvement may please be furnished to Vigilance Branch.

This is issued with the approval of SDGM.
