Sub: Local Purchase of Medicines – system improvement – reg.

\*\*\*\*\*

Many irregularities were noticed during preventive checks conducted by Vigilance Check at various hospitals over S.C.Railway on local purchase of medicines. To streamline the process of Local Purchase (7a & 7b), the following points are suggested for implementation :

- (i) All the DRHs/Hus/SDHs shall refrain from buying Branded Medicines wherever Jan Aushadhi Stores are available at the nearest location.
- (ii) The proposal for obtaining Competent Authority's approval for local purchase shall be self-contained duly providing information like --
  - a) Quantity placed in Annual Medical Indent
  - b) Average Monthly Consumption
  - c) Previous Purchase Rate(s).
  - d) COS/SC's PO rate, if any available for similar item(s).
  - e) Details of Annual Medical Indent quantity received and stock exhausted.
  - f) Status of balance Annual Medical Indent quantity with probable date of supply/receipt
- (iii) For local purchase of medicines from Jan Aushadhi (PMBJP) also, include MOU for supply of drugs under 7(a) Part-B of Medical Matters of SOP.
