Sub: Procedure followed while dealing with the de-categorisation of RPF staff.
Ref: This office letter of even no. dated 03.11.2010 (copy enclosed)

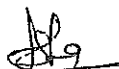

Enclosed please find this office letter of even dated 03.11.2010, which is self-explanatory. Though the procedure to be followed by Medical Board is being regularly discussed during the divisional in-charges meeting, the same is not being complied with properly.

Vigilance department vide their letter no.G.265/05/72/2014120192 & 2014120170 dated 02.01.2015 (copy enclosed) have observed that the procedure followed while dealing with de-categorization of RPF staff is not being done properly.

In view of the above, it is once again, reiterated that the prior approval of CMD should be taken before conducting medical board of RPF personnel and the medical board proceedings/recommendations of RPF personnel should be submitted for acceptance of CMD.

Compliance in this regard may be sent to the office.

Encls: as above.
