

Place it on Nanded Division website.

31.8.2020 DPD / Nanded Division / S.C.R.G.

IMPORTANT NOTICE

RRB Candidates (ALP, Technicians, JEs etc) who have been empanelled for different categories are advised as under regarding their joining/training/appointment letter, which got delayed due to restrictions on account of COVID-19

Candidates fall under different categories:

1. Offer of appointment has been issued but the candidates are waiting to report for submission of documents at Division/Unit level.
2. Offers have been sent but not received by candidates
3. Offers are ready but could not be dispatched due to COVID disruptions.
4. Candidates were sent for training but it had to be stopped midway.
5. Division allotment has been done but candidates have not received the offer from the division/unit.

The joining of candidates recruited as ALPs and other categories through RRB/Secunderabad CEN 01/2018, has been delayed due to COVID restrictions as they could not be called for medical examination and other joining formalities as train services had been stopped and administration did not want to put the candidates to any risk.

As candidates are aware the on going training had to be stopped midway as per government orders and now that permission has been given for restarting classroom training, arrangements are being made for doing so at various training institutes of SCR. These training facilities will soon start with reduced capacity because of which training will have to start with smaller batches.

Since training for ALPs require considerable practical and hands on training, a blend of online, classroom and field training is being designed for the candidate.

Induction Training is planned to be restarted by Mid October, Exact date and schedule would be advised in due course.

Once the candidates who have already been called for training complete their course, joining for balance candidates who have not yet been called will be processed.

Candidates who are in above circumstances are advised not to get worried have patience. Further information in this regard will be communicated through this website as well as individual messages on emails and mobile phone as far as practical. You may therefore keep following information on this website.

For query other than above may contact the following as per respective division/workshop:
