

Message from Chief Medical Superintendent,
Nanded

Hi,

I am Dr. B.Surendra Naik.

It is a pleasure to be on line. We have tried to give all information about medical department of Nanded Division of South Central Railway to all Railway beneficiaries and our service providers.

Railway beneficiaries must carry UMID card for availing medical facilities.

In case of admission in Railway Hospitals, railway beneficiaries must carry a photocopy of recent pay slip or should submit it to hospitals next day.

Kindly fill separate forms for reimbursement claims of medical expenses if the treatment is taken in different hospital. Similarly fill separate forms for different periods of hospitalizations. Reimbursement claims should be in triplicate.

If you have any suggestions or complaints, you are welcome. Complaint / suggestion Boxes are available in Hospitals as well as in Health Units.

Thank you for using the facilities.
