

## **RAJBHASHA IMPLEMENTATION ON VIJAYAWADA DIVISION**

The following are the salient features of Rajbhasha Implementation on the Division:

### **1. HINDI TRAINING**

- All the Officers and staff have been trained in Hindi.
- All the Typists/Stenos have been trained in Hindi typing/Hindi Stenography respectively.

### **2. HINDI TRANSLATION**

Under Section 3(3) of the Official Language Act 1963, certain documents of specific nature like General Orders (Circulars, Memoranda, Instructions etc.) Rules, Notifications, Tender Notices, Contracts/Agreements etc., should be issued in bilingual i.e., in Hindi-English simultaneously. With the available staff for translation work, the division has achieved 100 % target.

### **3. HINDI IMPLEMENTATION**

#### **3.1 Rajbhasha Implementation Committees**

In addition to the Divisional Rajbhasha Implementation Committee, there are at present 17 more Sub-committees functioning at various stations and sheds. The Quarterly Meetings of all these Committees are conducted quite regularly. In these meetings progressive use of Hindi within their jurisdiction is reviewed and future line of action is decided.
