

About TRSO

Traction Rolling Stock Operations Organization along with Electric Loco Shed, Vijayawada started functioning with the commissioning of Electric Traction between Vijayawada and Gudur (293 RKM) in the year 1980 under the control of Sr.DEE/TRS.

On further extension of Electrification from BZA to VSKP (365 RKM) TRSO organization has emerged as a separate branch under Sr.DEE/OP/BZA w.e.f., 12.10.1995.

r.DEE/TRSO is assisted by ADEE/TRSO for traction operations, ADME(P) for diesel operations and principal/ETTC/BZA for looking after ETTC. All the Crew Lobbies, Running Rooms, Trip sheds (Passenger & Freight), ETTC are under control of Sr.DEE/TRSO/BZA.
