Sub: Verification and certification of genuineness of sports certificates
for recruitment against Sports quota - reg.

As per extant instructions of Railway Board, recruitment of sportspersons against Sports quota is to be done annually by the Zonal Railways by means of Talent Scouting as well as Open Advertisement quota.

On an investigation of a complaint regarding the genuineness of a sports certificate by the Vigilance department, it was noticed that the genuineness of the sports certificate was not verified with the concerned Sports Authority/Board and have suggested to make necessary system changes.

In order to avoid irregularities in recruitment of sportspersons against sports quota in Railways, the following procedure is adopted:

(i) On receipt of applications for recruitment against Talent Scouting, the genuineness of the sports certificates produced by the sportspersons must be got verified with the concerned Sports Board/Authority through a Welfare Inspector before offering appointment.

(ii) In the case of Open Advertisement quota, since the applications are in large number, the scrutiny committee constituted for recruitment purpose will initially assess the genuineness of the sports certificates/achievements produced by the candidates and the provisionally eligible candidates shall be called for Trial duly obtaining a declaration from these candidates that their appointment will be subject to obtaining genuineness of their sports achievements/certificates from the concerned Sports Authority/Board.

(iii) After conducting the Trials, the genuineness of the sports achievements/certificates of the candidates qualified in the trials in various sports/games according to the vacancies notified against each sport/game, will be verified with the concerned Sports Authority/Board. On receipt of the same, the selection proceedings of the Recruitment Committee will be put up to the competent authority for approval.

 contd.

(iv) In both the above cases (Talent Scouting as well as Open Advertisement), offer of appointment will be sent to those candidates who fulfil all the requirements for appointment against sports quota including the genuineness of the sports certificate/achievements certified by the concerned Sports Authority/Board.

(v) While accepting the papers of candidates for appointment against Sports quota recruitment, Divisions/Units should ensure that the above formalities have been complied with in the cases allotted to their Divisions/Units.

This issues with the approval of PCPO.
