Readers are requested to give their feedback/
comments and suggestions for further
improvements and also send us their
contributions on issues of topical interest.

My Greetings to all the Officers, Staff and their Families.

At the Outset, let me congratulate you all for the excellent performance that South Central Railway has registered during the financial year 2018-19. This achievement has been possible because of the team work that prevails on the Zone and testifies to the fact that, together we can create wonders.

The remarkable outcome registered by SCR in the previous fiscal has set the ball rolling for the current financial year. It is imperative that we continue to strive and work hard, so as to attain greater results in the year 2019-20. We need to believe in the fact that optimism is the faith that leads to achievement and nothing can be done without confidence. So, be optimistic and confident each day of your work and the results will show.

Coming to the popular SCR's House Journal – HumDum, I would like to share a little secret with you all that the Magazine has always been amongst my favorite read. The House Journal is also creatively titled to read down as HUM SAFAR, connoting our partnership in the journey of life and DUM RAILWAY, which is the Hindi abbreviation for the Zone and signifies the strength we carry. I credit the Public Relations Department for unfailingly coming out with the House Journal every quarter, offering SCRians, an opportunity to know of the happenings on a platter.

I expect that the harmonious relationship existent between the administration and employees continues to flourish on SCR, begetting best possible outcome, all through, for always.

One with you....

(Gajanan Mallya)
General Manager

JAI HINDI
Rajbhasha
Report

Great Performance calls for great celebrations. With South Central Railway coming up in flying colours in every sphere of performance in the financial year 2018-19, the Railway Week on the Zone this year is sure going to be more celebratory. Acting on cue, we present this HUM DUM as an "Annual Issue" focusing on the high points and achievements of each department on the Zone during 2018-19, offering readers, an avenue to know of the great work done.

SCR is honoured to have Shri Gajanan Mallya Ji back on the Zone, as its head. We extend a very warm welcome to General Manager Sir and exude confidence that his warm personality and caring attitude will encourage the Zone to perform with still more commitment and conviction, firm on the belief that the leader is ever present to take care of the work force.

As you are aware, House Journal is meant to build employee relationships, morale, good will and awareness on the goings on in the organization. We have been striving to fulfill this objective unflinchingly and it is your support which keeps us going all through. Please do share your opinion and suggestions to make the content of the magazine, more extensive and read worthy.

Railway Week Celebrations are also the time when best performers are recognized for service excellence and Team HUM DUM conveys its greetings to the recipients of various awards. The advent of a new financial year heralds a new dawn. With each new day comes new strength and new thoughts. Let us seek the route to glory and make the organisation more successful.

We don't need to watch the clock. We only need to do what it does. Just keep going.

Good wishes to each member of the SCR family, as we together commence yet another enduring journey with hopes and aspirations to attain the performance pinnacle in the year ahead.

(Ch. Rakesh)

COVER

GENERAL MANAGER'S MESSAGE

SHRI GAJANAN MALLYA

assumed charge as General Manager, South Central Railway on 4th February, 2019. He belongs to the Indian Railway Service of Mechanical Engineers (IRSME) and made his entry into the cadre through Special Class Railway Apprentice 1979 batch. Prior to this assignment, he was serving as

Director, Indian Railway Institute of Mechanical and Electrical Engineering (IRIMEE), Jamalpur, Bihar.

Shri Gajanan Mallya's academic qualifications include a Degree in Mechanical Engineering from Institution of Mechanical Engineers (London); AMIE (India) Degrees in Electrical Engineering and Metallurgy, besides a Post Graduate Diploma in Industrial Engineering from National Institute of Industrial Engineering (NITIE), Mumbai.

He carries a rich working experience, having served in various capacities on Indian Railways. Amongst the posts he held are – Senior Deputy General Manager, SCR; Divisional Railway Manager, Ranchi Division, South Eastern Railway; Chief Project Manager, Integral Coach Factory; General Manager, Inspection, RITES; Senior Professor, IRIMEE; Chief Motive Power Engineer; Secretary to General Manager; Senior Divisional Mechanical Engineer and Deputy Chief Mechanical Engineer, Southern Railway; Dy.CME/Plg & IE, Production Engineer, Works Manager ICF and Production Engineer, Hubli Workshop.

Shri Gajanan Mallya is the recipient of several awards and prizes for his performance during his illustrious career on Indian Railways. He was bestowed with the Principal's Medal of Merit at Railway Staff College, Vadodara for standing first with Distinction in the Foundation and Induction Courses. During his stint at ICF, he was the recipient of Awards for meritorious performance for three consecutive years between 1989-1991. His Outstanding performance earned recognition during Railway Week Celebrations - 1998, when he was conferred with the General Manager/ICF Award and Silver Medal. He is also the recipient of the Managing Director/RITES Award for developing new line of business and Chairman Railway Board Award for good work done in implementation of Rajbhasha, Hindi on SCR.

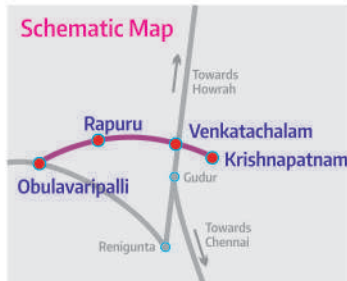

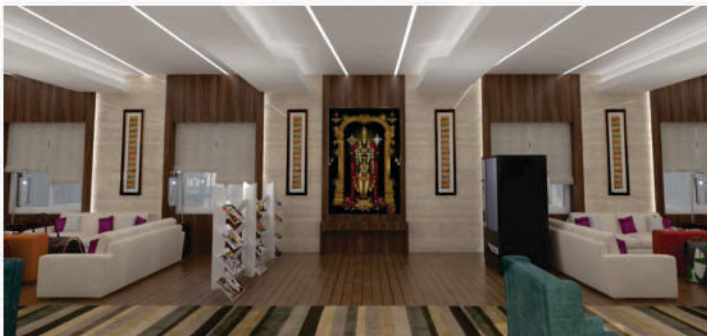

He has completed various training programs in India and abroad. Amongst these are, a specialized 'Training of Trainers' program at Administrative Staff College of India, Hyderabad; Advanced Strategic Management Program at Carnegie Mellon University, Pittsburgh, U.S.A and Advanced Training in Vigilance Investigation at the Sardar Vallabhai Patel National Police Academy, Hyderabad. He has visited the United Kingdom, Sweden, Germany, Tanzania, Brazil, Czech Republic, China and U.S.A on various assignments.

Shri Gajanan Mallya is a keen sports enthusiast and is known for encouraging upcoming talent on the Railways. He holds inclination towards Indian Classical Music, Art and Culture. He is also passionate about photography.

General Manager holds Safety Review Meetings. Presents 'Man of the Month Awards'

18th February
and 5th March, 2019

Shri Gajanan Mallya, General Manager regularly holds safety review meetings with Principal Heads of all departments and all Divisional Railway Managers to improve the performance of the Zone.

Top priority is accorded to safety and security to achieve 'zero accident' record.

Due importance is given to punctuality and detailed analysis is done on causes for loss of the punctuality like asset failures, loco failures to take appropriate remedial action.

Maintaining Over Head Equipment, signalling equipment, track maintenance and speed restrictions are regularly monitored.

Thrust areas of the Zone are Safety, Security, punctuality, Growth in earnings, facilitating passenger comfort and infrastructure development.

'Man of the Month' Safety Awards are presented every month to employees who display alertness in duty and take timely action in averting unsafe conditions.

General Manager inspects Rail Nilayam, Zonal Headquarters

March 14, 2019

SCR's John Morris Engine secures Challenger Trophy at the Prestigious 53rd Statesman Vintage Car Rally

New Delhi
February 10, 2019

The Vintage John Morris Fire Engine, manufactured in the year 1914, which was originally used by H.E.H Nizam State Railway in the city of Hyderabad was the oldest participant in the rally, which saw around 160 Vintage vehicles taking to the roads.

Grabbing attention of the huge Sunday crowd, the John Morris Fire Engine completed the full rally distance of 45 kms. Only about 60 vehicles could cover the full length, while 100 dropped enroute owing to mechanical failures.

Shri Gajanan Mallya, General Manager congratulated Shri Vijay Kumar, Chief Workshop Manager, Carriage Workshop, Lallaguda for the laurels brought to the Zone and Indian Railways.

THE STORY BEHIND JOHN MORRIS FIRE ENGINE

It is the only Vehicle in the world fitted with the original Shrewsbury and Challenger Solid Tyres and still retains all the original parts of its fire equipment.

It holds the Ajax Gun-Metal Turbine Pump as a part of its fire equipment.

The Fire Engine graces the precincts of the National Rail Museum at New Delhi.

SCR's 8 member team of Technical personnel from Carriage Workshop, Lallaguda undertake its regular maintenance.

IGBC Gold Rating for Vijayawada Railway Station

March 25, 2019

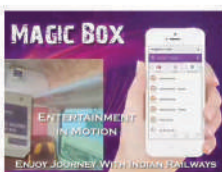

The IGBC-CII, with the support of Environment Directorate of Indian Railways has developed the Green Railway Stations Rating system to facilitate adoption of Green Concepts, thereby reducing the adverse environmental impacts due to station operation & maintenance and enhance the overall commuter experience.

The rating system helps to address National priorities:

- Water conservation
- Handling of waste, energy efficiency
- Reduced used of fossil fuel
- Lesser dependency on usage of virgin materials
- Health and well-being of occupants

'MAGIC BOX' Wi-Fi Infotainment System on Kacheguda-KSR Bengaluru Express

which provides offline multimedia content to the users. Six Magic box

SCR has introduced unique concept called 'Magic Box' Wi-Fi Infotainment System on train

devices have been provided in five AC Coaches of Kacheguda-KSR Bengaluru Express

The objective of Magic Box is to provide entertainment to the passengers during their journey time. Passengers can access 500 hours of

entertainment. The content pertaining to Railways and other Government policies is also available in the Magic Box, for interested passengers to access the same and update their knowledge using the information available.

WELLECTRICAL

SCR'S MANY FIRSTS ON IR

- ★ The first Zone on Indian Railways to achieve **100% conversion to LED** by converting all the Railway Stations, Service Buildings, Railway Quarters and Level crossings over the Zone into 100% LED-lit, **saving Rs.7 Cr per annum**
- ★ The only railway to earn maximum awards from BEE for energy conservation including **1st Award for Secunderabad PRS building**
- ★ The most energy efficient Railway Zone in electric goods operation with least specific energy consumption
- ★ Diesel Shed Moul-Ali is the **1st diesel shed on IR to be certified with GreenCo GOLD rating while Diesel Shed Gooty is certified with GreenCo Silver**
- ★ For the first time on Indian Railways, **Fuel-level sensors have been fitted on 25 locos** of Guntakal Diesel shed and are working successfully

ENERGY SAVINGS

- ★ Both Electric & Diesel loco sheds gave outage more than Railway Board's target.
- ★ Due to various fuel-oil saving measures adopted by the Zone, **27 % more savings** estimating to **Rs.115 Cr**, achieved over last year.

OTHER ACHIEVEMENTS

- ★ A total of 08 lifts and 01 escalators provided during the year. With this on the Zone now, a total of 61 lifts at 27 Stations and 44 escalators at 17 Stations are available
- ★ All running rooms are made air-conditioned
- ★ Facilities provided at Electric Loco Shed, Kazipet and Diesel Loco Shed, Gooty for maintenance of 3-phase locos
- ★ More than 100 fog-pass devices are being used on Vijayawada Division successfully

COACH & RAKES MAINTENANCE

- ★ The interior and exterior for two rakes of Godavari express coaches have been refurbished with enhanced passenger facilities under project "Utkrisht"
- ★ 4 Rakes of Tr.No.12715/16 Nanded-Amritsar Sachkhand Express replaced with LHB coaches
- ★ Tr.No.12757/12758 Secunderabad-Sirpur Khagajnagar Express replaced with LHB coaches
- ★ After rationalization of rake links, 10 conventional rakes and 02 DEMU rakes are replaced with 10 MEMU rakes
- ★ POH out turn of coaches and ROH out turn of wagons have surpassed the target

MECHANICAL

SWACHH RAIL SWACHH BHARAT

SCR ranked 2nd in the All India Third Party Audit Survey Report on Cleanliness at Railway Stations.
 All the five A1 category stations of the Zone are feature in Top 15.

84% of the total coaches over the Zone are fitted with bio-toilets

On Board Housekeeping Services has been provided in 148 Express Trains

Mechanised cleaning of coaches is operational at 11 Stations over the Zone.

Dustbins are provided in all coaches fitted with bio-toilets.

Chemical and Metallurgical Lab, Lallaguda has acquired NABL Accreditation (National Accreditation Board for Testing and Calibration Laboratories)

Diesel Shed Moula-Ali conducted training on "1800 HP DEMUs" for officials from Sri Lankan Railways

Solar power plants installed at all three workshops and are able to meet their requirements through the generated power

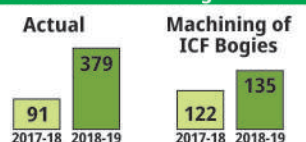

2 mechanized laundries under BOOT Model commissioned at Nanded and Vijayawada.

Rail Bogie Karkhana, Badiyal, Yadgir was set up in July, 2017 for the manufacturing of FIAT Bogie frames required for LHB coaches

COACHING OPERATIONS

- * Introduced 10 new originating train services
- * 30 Train services extended to different destinations
- * Additional stoppage provided for 42 trains
- * Frequency of 3 pairs of trains increased from weekly to daily
- * 21 pairs of trains permanently augmented with 47 coaches
- * 14 Express trains were speeded up in 2018-19
- * SCR is 4th best in maintaining punctuality amongst all on Indian Railways

SPECIAL TRAINS

Special trains include **191 Jansadharan Special Trains** catering to the needs of fully unreserved segment

EXTRA COACHES

FREIGHT OPERATIONS

SCR records an unprecedented and unparalleled growth in Freight Loading in 2018-19 with a record 122.51 Million Tonnes Loading. This is the best ever since inception of the Zone.

- * Wagon turnaround is 2.5 days during 2018-19 (2.8 days in 2017-18)
- * Terminal Detention for loading improved to 11.26 hrs in 2018-19 from 14.12 hrs in 2017-18
- * Terminal Detention for unloading improved to 14.40 hrs in 2018-19 from 16.24 hrs in 2017-18
- * Interchange trains per day increased to 214 trains per day in 2018-19 from 201 trains per day in 2017-18
- * Wagon holding was just 2.2 % higher than the last year

COMMODITY-WISE LOADING

Commodity	2017-18	2018-19
Coal	52.37	67.56
Cement	25.82	28.23
Containers	1.05	1.26

Other Goods	6.39	5.91
Total	103.05	122.51

UNIQUE MEDICAL IDENTITY CARD (UMID)

- ★ UMID, is a smart card system for availing medical services. It uses biometrics for fool-proof identification at hospitals. It is a card independent system whereby services can be used with any of the 7 identification particulars such as QR code, PF/ PPO No., Registered Mobile No. etc.

- ★ Under this scheme, all the employees/ pensioners and their dependents will be issued individual medical cards for each beneficiary. These cards can be used for identification both in Railway and referral hospitals.

- ★ South Central Railway has been nominated as Nodal Railway for issuing these cards by Railway Board.

Sanctions	1162	97365	98527
On Roll	1030	78924	79954
Vacancies	132	18441	18573

E-SETTLEMENT

- ★ General Manager launched **"E-Settlement"** on February 28, 2019.
- ★ This is an initiative wherein the employees are not required to fill lengthy pension booklets at the time of their retirement/ settlement.
- ★ Most of the information is automatically populated from IPASS, ARPAN, UMID, etc.
- ★ This will help in preserving data in digital form for future use.

OTHER INITIATIVES

Employees of the Zone from Group C & D were short listed and were taken on a leisure holiday tour to Dubai & Abu Dhabi, at a heavily subsidized cost.

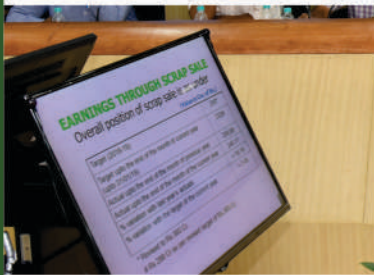

As part of the employee welfare initiatives, the premises of Headquarters Employees Canteen at Rail Nilayam, Secunderabad has been renovated and rechristened as "AKSHAYA", employees lounge.

SCRAP SALE EXCEEDS TARGET

Achieved scrap sale of **Rs.339.61 Cr**, **17% more than the original target** of Rs.290 Cr and **third highest on Indian Railways**. Maintained closing balance of Rs.4.35 Cr

MATERIAL AVAILABILITY

Overall material availability is maintained at 99.9% throughout the year. **The availability of safety and passenger necessity items were 100% throughout the year.**

INVENTORY TURNOVER RATIO

The Inventory turnover ratio was 7.81%, **best among on Indian Railways.**

STORES

General & Signal Stores Depot, Mettuguda, Secunderabad is the **First General depot in IR to get GreenCo Silver Rating Certification**

- ★ SCR is the second best among all Zonal Railways in settlement of Tender Committee Cases.
- ★ The time taken for release of Receipt Note is 5 days, which is best among all Zonal Railways.

Guntur Division is the first Division on Indian Railways to implement 100% digital supply chain management system from demand to payment stage.

- ★ South Central Railway is the First among Indian Railways to print advertisements on UTS tickets.
- ★ The Printing Press in SCR generated non fare revenue of Rs.2.75 Crs. by way of advertisements in UTS/PRS tickets.

GeM

Materials worth Rs.31.78 Cr were purchased through GeM as against the Railway Board target of Rs.30 Cr and last year procurement through GeM was only Rs.15.78 Cr

BEING VIGIL

CCTV cameras are installed in all the store depots

RUBs/LHS CONSTRUCTED

RUBs/LHS were constructed by adopting innovative methods, taking short blocks, having bare minimal impact on train services

SLIDING BOOM

More than 80 Level Crossing Gates provided with Sliding Boom

FIRE ALARM SYSTEM

Fire alarm system provided at 115 Railway Stations on the Zone

SAFETY

ELIMINATION OF UMLCs

- ★ South Central Railway is amongst the first Zones on Indian Railways to eliminate all Unmanned Railway Level Crossings (UMLCs) by October, 2018.
- ★ The task was completed by eliminating left over 152 UMLCs during this year.

अन्य आयोजन

- ★ 15.02.2019 को रायनपाडु कारखाना में और नेल्लूर स्टेशन में दि.12.02.2019 को हिंदी साहित्यकार सूर्यकांत त्रिपाठी 'निराला' की जयंती मनाई गई।
- ★ 28.02.2019 को प्रधान कार्यालय के कर्मचारियों के लिए हिंदी प्रश्न-मंच प्रतियोगिता का आयोजन किया गया।
- ★ मुख्य राजभाषा अधिकारी की अध्यक्षता में 20.03.2019 को प्रधान कार्यालय में राजभाषा संगठन के अधिकारियों और अनुवादकों की समीक्षा बैठक का आयोजन किया गया।

General Manager's Message

64th Railway Week

...continued from back cover

South Central Railway has accorded due emphasis on eco and energy conservation to develop a greener Railway. The Zone is first on Indian Railways to achieve 100% LED lighting at all the Stations, Service Buildings, Railway Quarters etc., saving Rs 7 crore per annum. Natural energy has been substantially tapped, with solar power panels installed at various locations to generate 4.3 mega watt of power, thereby enhancing the total solar power capacity of the Zone to 7.75 mega watt.

SCR's green goals got a huge fillip with the Indian Green Building Council - Confederation of Indian Industry awarding its Green-Co certification to Secunderabad, Kacheguda and Vijayawada Railway Stations, with Secunderabad being the first on Indian Railways to receive the highest "Platinum Rating" Certification. The stations are on way to become "eco-smart" as per the guidelines set by National Green Tribunal.

Digital initiatives are core to SCR's developmental plans. The Zone has launched the upgraded UTS Mobile App for issuing paperless Unreserved Tickets all over its network. High speed free Wi-Fi services have been extended to cover 113 Railway stations during the year, thereby taking the total to 207. The recent times have seen the digital push go a notch higher with the launch of Kaizala - the mobile chat app of Microsoft for the rail workforce to access healthcare anytime-anywhere on the e-gateway by linking Railway hospitals and doctors country-wide. UMID, a web and mobile based app to generate medical identification smart cards for employees, pensioners and their dependents has also been introduced. e-Office, a giant leap forward to digitize official files and work on e-platform has commenced on the zone, making it the first Zone on Indian Railways to roll out the IT enabled, paperless work culture for a future ready organisation.

SCR has registered an impeccable performance in terms of cleanliness of its stations and trains, carrying the Swachhta Abhiyan forward with all seriousness. The Zone is ranked second on Indian Railways, as per the All India Third Party Audit Survey Report on cleanliness. The five A1 category stations of Secunderabad, Hyderabad, Kacheguda, Vijayawada and Tirupati are listed in the top 15 ranks on Indian Railways. To offer quality linen on-board trains,

two more mechanized laundries have been commissioned at Vijayawada and Nanded to add to the existing five. The prestigious Godavari express has underwent a makeover of its coaches to impart a new look and feel under Project Utkrisht.

South Central Railway has been a pioneer in implementing various welfare measures to meet employee aspirations. Running rooms for various categories of staff have been air conditioned. Employees belonging to Group C & D categories were taken on a leisure holiday tour to Dubai & Abu Dhabi, at a heavily subsidized cost. The initiative to upgrade the skills of rail workforce has been given further momentum with the launch of phase-II of project "Saksham". The Zone has launched e-pension booklet which preserves data in digital form and is immensely useful to the valued rail pensioners.

The congenial industrial relations on SCR are largely on account of the positive cooperation being extended by the recognized Trade Unions and I acknowledge their involvement. I am proud of the talent pool involved in activities associated with Art and Culture on the zone and the efforts put in by them in promoting the same. The role of SCR Sports Association in harnessing sports talent to shine at National and International levels is commendable. Credit goes to SCR Women's Welfare Organization for its selfless service towards the society. I also commend the Scouts & Guides and Civil Defense Organization on SCR, who give us the confidence that they are around in times of need.

As the new financial year 2019-2020 takes off, expectations on South Central Railway remain very high. Let us all pledge ourselves to adopt new technology, innovate to offer quality services, transform the work culture to optimize productivity and most importantly, to serve the rail customers with a humane touch.

Jai Hind!

(GAJANAN MALLYA)
General Manager

South Central Railway General Manager's Message

64th Railway Week

Dear Members of the Railway Family,

16th April, 1853 heralded the dawn of a new era, when the first train ran on Indian soil for 34 Kms from Boribunder to Thane, heralding a transport revolution. In commemoration of this historic event, Indian Railways celebrate the Railway Week from 10th to 16th April each year, this year being the 64th year of the festivities. On this proud occasion, I extend my heartfelt greetings to each one of you. The Railway Week offers an opportunity to analyze the performance of the Zone in the financial year just ended and to honour the top achievers amongst the Divisions on the Zone, individual Officers and Staff.

South Central Railway has recorded outstanding performance in the last fiscal 2018-19, reinforcing its credentials as amongst the best on Indian Railways. The Zone crossed a major milestone, registering its highest ever freight loading of 122.5 million tonnes during 2018-19, up by 19 % as compared to the previous year, for the first time crossing the 10,000 crore mark. In terms of passenger traffic, the Zone has carried 383 millions of originating passengers in 2018-19, an increase by 4 million when compared to last year. The overall impact has been remarkably good on SCR's financial graph, with the total originating earnings in 2018-19 touching Rs. 15,640 crore, the highest for any year until now and a sizeable 15% increase over the previous fiscal.

On the Infrastructure front, SCR has taken significant strides in 2018-19 to complete several ongoing rail projects. 87 Kms of new railway lines, 50 Kms of doubling works and 9 Kms of Third line works have been completed during the year, which include the Obulavaripalli - Venkatachalam new line, doubling of different parts between Guntakal - Kalluru & Parbhani-Mudkhed sections and third line between Mancherial - Peddapet section including major bridge across river Godavari. 432 Route Kms of electrification has also

been completed during the year, which includes various sections between Nallapadu - Bibinagar, Guntakal- Kalluru, Guntakal - Bellary, Obulavaripalle - Venkatachalam and Guntur-Tenali etc.

The major thrust for SCR is on safety, security and provision of passenger amenities for rail users. To strengthen safety, SCR has eliminated all Unmanned Railway Level Crossings (UMLCs) on its network by October, 2018, the target date. Track renewal of 196 Kms has been completed by undertaking short blocks without much hindrance to regular train operations. The Zone has seen no major consequential accident or derailment in the last financial year. Security of rail travelers is additionally being met by deploying of security personnel on escort duty of trains in all vulnerable sections. Commissioning of 08 lifts and 01 escalator during the year has taken the total to 61 lifts and 44 escalators on the Zone till date. Value add on services like supply of pure RO water in trains free of cost as a pilot project, air conditioned lounges equipped with massage chairs and mobile cinema theatres in circulating areas of select Railway stations, have generated encouraging public patronage.

To cater the ever increasing passenger demands, SCR has introduced 10 new train services during the year, including 02 prestigious Humsafar express trains between Huzur Saheb Nanded - Jammu Tawi & Indore-Lingampalli. 15 Train services have also been extended, connecting new destinations and at the same time facilitating decongestion at major stations. During 2018-19, SCR has run 2,152 special trains and attached over 10,000 extra coaches by various regular trains, carrying around 29.61 lakh passengers and yielding additional revenue of Rs 54 crore. 10 new tech MEMU rakes have been added into the fleet replacing conventional DEMU rakes to enhance passenger convenience.
