Sub: Irregular drawl of family pension by wards/spouse-system improvement-reg.

Ref:- Sr.VO/P Lr.No.G.265/V/PC/2023/03/01902/System Improvement
dt.28.06.2023.

Please refer Sr.VO/P letter of even No.dated 28.06.2023 wherein, vigilance department had conducted few preventive checks in regard to drawl of irregular family pension by the wards/by the spouse of the deceased employee. It was noticed that wards even after joining into Railways Service through CG are still continuing to draw family pension. Similarly widow/widower are also continuing to draw family pension even after their re-marriage, which is not permissible as per Pension Rules and also suggested for a system improvement in order to avoid re-occurrence of irregular drawl of family pension.

1. An undertaking from the wards/widow/widower should be taken invariably along with other documents while processing for the Compassionate Appointment. Staff & Welfare Inspector should clearly mention in his report about submission of such undertaking.
2. A copy of such under taking should be pasted in the SR or in the personnel file after the offer of appointment is accepted.

A specimen copy of the declaration/undertaking is prepared for guidance if required necessary modification may be made.(enclosed)

In view of the above, it is advised to issue suitable instructions to all concern for system improvement.

Encl:- As above.
