Shri Narendra Modi

Hon'ble Prime Minister

Flags off **First Vande Bharat Express**

between Telugu States

(Secunderabad - Visakhapatnam)

Chief Patron Message

Dear SCRians,

The financial year 2022-2023 has truly been a historic year for South Central Railway with the zone achieving new milestones in various capacities and setting fresh benchmarks of success. As we end the year on a high note and begin a new journey, I extend my warm regards to each one of you and hope that the current fiscal will witness new vistas of growth and take the Zone to new heights of success.

The past year was quite eventful for the zone as we had the opportunity of hosting many important events, the high point among which was certainly dedication / inauguration of various rail developmental activities to the nation by our Hon'ble Prime Minister, Shri Narendra Modi – the flagging off of Vande Bharat train between the two Telugu States and the Dedication of New Railway Line between Bhadrachalam – Sattupalli to the Nation. Apart from this, we also witnessed the laying of foundation stone for coach maintenance facilities at Aurangabad and Jalna Railway stations by Shri Ashwini Vaishnaw, Hon'ble Minister for Railways. I feel proud to inform you that the zone bagged Six National Energy Conservation Awards in the year, which was presented by Smt. Droupadi Murmu, Hon'ble President of India in New Delhi.

The Zone has been leading as one of the best on Indian Railways and the credit goes to the work-force who have served with utmost commitment and dedication. I am proud to inform you that, the hard work has once again paid off with the zone attaining new records during the last fiscal such as Best-Ever Electrification; Best-Ever Track Addition; Best-Ever Freight Performance; Best-Ever Passenger Revenue; Best-Ever Performance of Workshops and Best-Ever Scrap Sale among others.

During my interaction with the Officers and Staff across the six divisions I have witnessed first-hand their enthusiasm and dedication to achieve the targets, which has been instrumental in Team SCR setting new benchmarks.

I am proud to lead such a wonderful team and I am sure that our Team will continue to put-in their relentless efforts and move forward with fraternity to make our zone reach greater heights of success!

Chief Editor's Column

The preceding year was witness to SCR recording splendid achievements, new landmarks and milestones across various sectors reflecting the commitment of Team SCR under the guidance and leadership of our General Manager. As we end a remarkable year and step into a new one, I hope that we will find within ourselves increased energy and determination to move our organization to greater heights of success.

It was a great honour for SCR to witness the launching of several important Rail developmental projects across the zone by our Hon'ble Prime Minister, Shri Narendra Modi ranging from flagging off of Vande Bharat trains between the two Telugu states to the dedication of new Railway line between Bhadrachalam – Sattupalli. In addition to this, we also had the privilege of hosting several high dignitaries as they launched various Railway initiatives and train services on SCR during the last fiscal.

Another memorable event was the launching of the massive recruitment drive – the Rozgar Mela by our Hon'ble Prime Minister. We witnessed the dreams of many young aspirants come true when the appointment letters were handed over to them by Shri G. Kishan Reddy, Hon'ble Union Minister at the Zonal level.

In this edition of the revered house-journal, we bring to you more such highlights on diverse events, data and statistics on our performance and accomplishments during the last fiscal, which will surely make you more proud of being an SCRian. As you go through the publication, you will find inputs on programs, meetings, awards, infrastructure development works etc., aligned with images which will surely make your reading worth the while.

Lastly, I wish you all, a healthy and joyful new year.

Happy Reading!

JOINT PARCEL PRODUCT (JPP)

Joint Parcel Product (JPP) Parcel special train was introduced in Feb-2023 in collaboration with India Post offers end-to-end parcel handling solution providing seamless doorstep pick-up and delivery for the customers. While, the first mile and last mile connectivity is provided by India Posts, the intermediate connectivity is provided by Railways. JPP is charged at scale P+40% for Single trip and P+80% for Round Trip basis. The first service commenced from RU on 15.02.2023 and proceeded towards Nizamuddin via Dhone, Kurnool city, Kacheguda and Kazipet.

HALLMARK ACHIEVEMENTS

- * First time in SCR, 10 individual Ticket Checking staff have crossed Rs one Crore Earnings in FY-2022-23.
- * 4,400 special trains were operated with an average occupancy of 98%. This benefitted 3.35 million passengers and generated ₹243.7crs in revenue.
- * Temporary augmentation of 11,158 coaches was done based on day-to-day waitlist position. This benefitted 7.74 lakh passengers generating ₹30.79crs in revenue.
- * Contracts for Coach Restaurants at Guntur, Kacheguda, Vijayawada, Rajahmundry, Secunderabad and Necklace Road have been awarded by utilising unfit ICF coaches. This helps in generating Rs.1.83 crores revenue annually.
- * Electronic Vehicle (EV) charging points under e-mobility concept has been introduced across 24 stations of SCR. The initiative is in line with the Govt. of India's vision to promote adoption of e-mobility in the country and is another major step towards de-carbonization of the transportation sector, while reducing demand for petroleum products and encourages EV vehicles adoption. The initiative also generated Rs.11 lakhs in revenue.
- * SCR stands first in processing Coaching refunds, with the average time taken by the zone being only 2 days, which is the least across Indian Railways.
- * During 2022-23, SCR also stood first across IR in tracing/connecting 243 unconnected wagon loads saving Rs. 27.97 crores. The Zone was second in tracing 126 unconnected parcels, saving Rs. 45.75 lakhs.

ELECTRICAL

BEST EVER PERFORMANCE

SCR gave a major push for "Mission Electrification" by electrifying a record 1,017 rail lines over its network in 2022-23. This is the best ever electrification achieved in a financial year since its inception, against the previous best of 770 Kms in 2021-22.

With this, nearly 90% of SCR rail network has been electrified i.e., 5,802 RKM out of 6,471 RKM as on 31.3.2023. 12 Nos. of new TSS were commissioned during the year.

Electrification done in (RKM/TKM) along with sections in 2022-23

State	Rkm	Tkm
Andhra Pradesh	133.705	517.344
Telangana	286.374	423.563
Maharashtra	545.985	663.875
Karnataka	50.835	67.48
TOTAL	1016.899	1672.262

Promoting Energy Conservation

- ★ SCR installed 1.4 MWp capacity of solar plants at 75 railway stations during last year against target of 1 MWp, thus exceeding the target. With this, cumulative capacity of solar plants on SCR rose to 9.3 MWp.
- ★ On SCR, 36 trains have been taken over on Head on Generation (HoG), which saves not only diesel, but also is more environment friendly and reduces pollution. This is expected to result in about Rs. 41 crores of saving per annum.
- ★ During the year 2022-23, SCR commissioned 102 nos. of 3-phase Electric Locomotives, which is the highest ever locos commissioned in SCR.

LIFTS & ESCALATORS

- As a part of continuously enhancing Passenger Amenities for the public, SCR installed 16 lifts and 6 escalators during the last financial year. On cumulative basis, 138 lifts and 72 escalators have been provided over SCR.

AIRPORT LEVEL LIGHTING

- Airport level lighting has been provided at 30 stations during last year. Total 78 railway stations have been covered so far on SCR

SAVINGS ON REVENUE EXPENDITURE

- Rs. 0.72 Cr. by discontinuing manning of lifts and escalators.
- Rs. 0.59 Cr due to revising the periodicity of AMC schedules of DG sets, ACs /Water coolers, inflatable towers etc.
- Anticipated Energy Savings are 1 MU and Rs.0.5 Cr.by conducting Solar Audit over SCR – Capacity Utilization Factor is improved from 12.5% to 14%.

INNOVATIONS/ SYSTEM IMPROVEMENTS

Development of Traction motor dropping detection system (TMDDS) in conventional locomotives

- Based on SCR's proposal, RDSO issued Modification Sheet to carry out the TMDDS modification in all WAP4 electric locomotives over IR to alert the crew by DJ tripping with emergency brake application automatically in case of TM dropping during run. Till date, 42 WAP4 locos have been modified at Electric Loco Shed, Vijayawada

Modification of D1 emergency valve for increasing its height

- Recently, ALP were advised to be in alert and standing position in the event of an approaching signal aspect and be ready to apply the emergency brakes. The existing height of the D1 emergency valve (120 mm to floor) was not sufficient for the reach of ALP in standing position. As such shed has performed a modification to the emergency valve to increase its height to 400 mm above floor by which the ALP can now easily reach without compromising the signal aspect. This modification has been completed on 36 locos so far and in progress

HOG

36 trains taken over HOG in SCR loco link in 2022-23 this will result in saving of Rs. 40.66 Cr. per annum

STORES

MISSION ZERO SCRAP LEADS TO BEST-EVER SCRAP SALES

SCR continues to lead Indian Railways in the field of Material Management. In the continuing process of maintaining efficiency, the Zone has achieved the coveted status of "Zero Scrap", lending a major push towards "Mission Zero scrap" of Indian Railways.

The Zone has achieved a whopping Rs. 391 crores revenue in the form of Scrap sales – which is the highest-ever earnings on this segment by the Zone since its inception.

TURNOVER RATIO (TOR)

Physical Turn-over Ratio at the end of Mar-23 is 13.43%, far less than 14% target set by Railway Board. This is also the best ratio amongst all Zonal Railways.

AVAILABILITY OF STOCK ITEMS

SCR is continuously maintaining 100% availability of Safety and Passenger Necessity items. Due to the improved availability, it has been ensured that no Division/Workshops have faced any operational or out-turn hold-ups for want of materials

PROCUREMENT THROUGH GeM PORTAL

Procurement of Goods and Services through GeM for FY: 2022-23 is Rs.553.71 Crs. (Goods: Rs. 127.10 Crs and Services: Rs: 426.70 Crs)

User Depot Module (UDM)

USER DEPOT MODULE (UDM)

UDM has led to optimization and traceability of materials usage resulting in improved Asset Maintenance and transformational changes from manual working to digital working environment. Further, by implementing this module, an expenditure control is achieved, due to which all users are being encouraged to work on this UDM platform for any transactions made by them. UDM has been fully implemented in SCR and Materials Management Department of SCR is one of the best amongst all Zonal Railways. Transactions to the value of Rs.7276.59 Crs have been done in this module during the financial year 2022-23.

EXPENDITURE CONTROL

- ★ As a measure of expenditure control, contracts worth Rs. 68.92 Crs have been postponed / cancelled during FY: 2022-23, without affecting availability of materials while using the purchase grant amount appropriately.

VENDORS MEETS
