Sub: Revised Approved list of Brands / Makes for 162 categories of materials for use in all Civil Engineering Works in SCR – Reg.

Ref: This office letter of even no. dated 13.09.2023.

* * *

In order to improve quality of Civil Engineering Works, it is necessary to use the materials of reputed brands as, in many cases, specifications alone may not be sufficient to ensure appropriate standard of work.

Accordingly, Approved list of Makes and Brands for 162 categories of materials was communicated vide reference cited above.

Now, Revised approved list of Brands and Makes of materials is issued herewith for these 162 categories of materials as Annexure-A to be used in all works duly incorporating the same as Special Condition in all related tenders with immediate effect.

In case, Brands/Makes from approved list are not available, other reputed Brands/Makes having better aesthetic and life may be used with the approval of Sr.DEN/Co-Ordination in divisions or Project in-charge in Construction organisation/Gati Shakti, as the case may be.

Material from Govt./Semi-Govt. subsidiaries amongst the approved Brands / Makes should be given 1st priority. Only in case of non-availability, other brand should be used if required for expeditious execution of the work.

This issues with the approval of PCE.
