SCOPE OF WORK AND SPECIAL CONDITIONS

1. The machine shall be maintained in proper working condition by carrying out necessary repairs and overhauling of sub-assemblies, along with providing required spares/materials by the contractor as specified in the schedule.
2. Any additional equipment not included in the schedule of work will be supplied by Railways. However, installation of such equipment shall be carried out by the contractor.
3. Installation charges for minor items (i.e., items costing less than 10% of the work order value) not covered in the schedule shall be borne by the contractor.
4. Consumables such as kerosene oil, cotton waste, material handling equipment, and power will be provided by Railways.
5. Any rework required during the warranty period shall be carried out by the contractor at their own cost.
6. **Other Charges:** Applicable GST will be deducted from the contractor's bills as per prevailing rules.
7. **Completion Period:** The work must be completed within seven (07) days from the date of issue of the Letter of Acceptance (LOA). Extension of time may be granted by the competent Railway authority based on practical constraints.
8. Payment will be made only after successful completion of the work. No advance payment shall be made to the contractor.
9. The work shall be governed by the general conditions of contract of South-Central Railway.
10. Railways reserve the right to deduct income tax, surcharge, and other applicable taxes as per government regulations.
11. Upon completion, the work will be inspected by Railway representatives/officers. If any part of the work is found unsatisfactory, it shall be rectified by the contractor at no extra cost. No payment will be made for such rework.
