The competent authority has approved the request of the employees for voluntary retirement under LARSGESS and the same is to be implemented w.e.f 16.07.2012. The process of appointing the wards of these employees should be completed by 20.7.2012 subject to the following conditions.

The above list is provisional and subject to the following terms and conditions.

1. They are not under suspension.
2. They should hand over stores/materials in their possession if any, to the supervisor concerned immediately.
3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

This issues with the approval of competent authority i.e DRM/SC.

(Twenty five names only)

The competent authority has approved the request of the employees for voluntary retirement under LARSGESS and the same is to be implemented w.e.f 16.07.2012. The process of appointing the wards of these employees should be completed by 20.7.2012 subject to the following conditions.

The above list is provisional and subject to the following terms and conditions.

1. They are not under suspension.
2. They should hand over stores/materials in their possession if any, to the supervisor concerned immediately.
3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

This issues with the approval of competent authority i.e DRM/SC.

The competent authority has approved the request of the employees for voluntary retirement under LARSGESS and the same is to be implemented w.e.f 16.07.2012. The process of appointing the wards of these employees should be completed by 20.7.2012 subject to the following conditions.

The above list is provisional and subject to the following terms and conditions.

1. They are not under suspension.
2. They should hand over stores/materials in their possession if any, to the supervisor concerned immediately.
3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

This issues with the approval of competent authority i.e DRM/SC.

3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

The competent authority has approved the request of the employees for voluntary retirement under LARSGESS and the same is to be implemented w.e.f 16.07.2012. The process of appointing the wards of these employees should be completed by 20.7.2012 subject to the following conditions.

The above list is provisional and subject to the following terms and conditions.

1. They are not under suspension.
2. They should hand over stores/materials in their possession if any, to the supervisor concerned immediately.
3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

The competent authority has approved the request of the employees for voluntary retirement under LARSGESS and the same is to be implemented w.e.f 16.07.2012. The process of appointing the wards of these employees should be completed by 20.7.2012 subject to the following conditions.

The above list is provisional and subject to the following terms and conditions.

1. They are not under suspension.
2. They should hand over stores/materials in their possession if any, to the supervisor concerned immediately.
3. The wards are proposed for appointment only in the lowest recruitment grade of the respective categories from which the employee seeks retirement and at the same place of station where the employee is working at present.
4. No request for change of category for appointment is allowed.
5. The above employees are required to hold the substantive post mentioned in the Board's letter dated 11.9.2010 and further that they should not be medically decategorised/unfitted/retired on voluntary retirement and/or removed/dismissed from service.
6. In respect of employees who expired, appointment to their ward is not to be allowed.
7. The name of the ward should be available in the family composition certificate declared by the employee during his service.

The employee should be free from DAR/SPE/Vigilance cases and not undergoing any active penalties. The appointment is subject to verification of original certificate in support of age and educational qualification and caste. Action should be taken expeditiously to arrange for simple/detailed verification on his/her character and antecedents as per revised instructions. In case of appointment to categories for which simple verification is sufficient regular appointment should be issued straight away after such verifications as prescribed.

This issues with the approval of competent authority i.e DRM/SC.
