Dated: 16 -07-2020

ALL CONCERNED

Sub: Filling up the ex-cadre posts in various departments- Cooling off period from one ex-cadre post to another.

As per extant instructions, the staff working in ex-cadre posts should be repatriated to cadre posts after their tenure period is over and they should be considered for transfer to ex-cadre posts after working for a period of one year in their substantive cadre posts.

Para 8.1 of DOP&T's OM dated 18.5.2018 adopted by Railway Board vide RBE No. 97/2018 dated 26.06.2018(SCR S.C.No.128/18) envisage that the period of deputation/foreign service shall be as per the Recruitment Rules of the ex-cadre post or 5 years in case no tenure regulations exist for such ex-cadre post. It is clarified that an employee seeking deputation to any other Organization which is not in her/his normal channel of promotion is to be treated as ex-cadre post.

Representations are being received from the employees working on an ex-cadre post, for posting on another ex-cadre post, as per above para, in relaxation of the necessary working for at least for a period of one year in their substantive cadre posts.

The matter regarding cooling off period between one ex-cadre post and another ex-cadre has been reviewed. Wherever in exigency of services it is felt necessary to allow a person to proceed from one ex-cadre post to another, approval of GM shall be required.

This issues with the approval of the General Manager.
