

UMID Card information for pensioners

UMID is an initiative of South Central Railway to facilitate smoother access to Healthcare services for Railway employees, Pensioners and their dependents. UMID which literally means 'HOPE' reduces the burden on the pensioners and ensures smoother, faster and seamless access to healthcare services. Pensioners no longer need to travel long distances to get their medical cards issued or renewed or updated in order to access healthcare facilities.

In order to facilitate the registration process on UMID, Secunderabad Division of South Central Railway is organizing UMID assistance counters at the following locations to assist the pensioners in the registration process:

Sl no	Location	Name	Mobile Number
1	Secunderabad	Sh. K Ramesh (HU/CKL)	7702162317
