

## IMPORTANT NOTICE

Candidates who appeared for the post of ALP/Technician under (CEN- 01/2018) for RRB/SC and have been placed on reserved list are informed that it has been decided to fill up the need based vacancies, which have arisen on account of empanelled candidates who did not join against the offer as probationer ALPs.

Earlier, the candidates were advised that in view of surplus loco-pilots on the railway, there might not be a need for filling up vacancies on account of absentee candidates. However on reviewing the position after substantial number of candidates have been relieved for inter-railway transfers, vacancies have arisen which need to be filled up from the reserve list candidates. Appropriate communication will be sent to them by RRB/SC for which the candidate should keep watching the website of RRB/SC as well as the website of SCR.

**It is brought to the notice of all the candidates that this revised position is strictly on the basis of vacancy having arisen due to relieving of loco pilots on request transfer and no one should fall into the trap of any official or non-official person who tries to impress that the review has come about by his/her influence, and seeks monetary/non-monetary favour in turn.**

Any evidence of wrong doing such as paying bribe etc, which comes to the notice will result in outright cancellation of the candidature of those involved. The candidates are required to wait with patience for further information on this website as well as through RRB/SC website.
