Sr.DENs/Co-Ord/SC, BZA, GTL, GNT, HYB & NED  
Dy.CE/EWS/LGD & Sr.DEN/LGDS

**Sub:** Anti Corrosive Painting to Rails – Superseding of existing NS items & Issue of New NS items-  
Reg.

**Ref:** (i) CVO/Engg. Letter No. G.265/V/E/2022/01/00957 dated 02.02.2022.

(ii) This office letter of even number dated 29.09.2020.

\* \* \*

1. Vigilance organization has advised this office vide letter under ref (i) above that it is noticed during vigilance checks that provision for anti corrosive painting of rails outside the track is being kept in the detailed estimates of all CTR (P) & TRR (P) works even for Non-Corrosion Prone Areas which is not required in terms of Para number 613 (b)(i) of IRPWM.
2. Corrosion prone sections on SCR have been notified vide ESO 59 dt.02.11.2008 and it is advised to strictly follow the guidelines mentioned in latest IRPWM and ESO 59 while providing the items of painting of rails for Non-Corrosion Prone Areas while preparing the estimates and tender schedules.
3. Two NS items viz. NS-HQ-USSOR-2019-01 & NS-HQ-USSOR-2019-02 communicated vide this office letter under ref (ii) dated 29.9.2020 above for Anti Corrosive painting to Rails are superseded with immediate effect .
4. The following two NS items viz. NS-HQ-USSOR-2019S-03 & NS-HQ-USSOR-2019-04 are issued in lieu of the above superseded NS items NS-HQ-USSOR-2019-01 & NS-HQ-USSOR-2019-02 for uniform adoption over South Central Railway with immediate effect.

SI No.	Description of Item	Unit	Rate
NS-HQ-USSOR-2019-03	Anti-corrosive painting of rail <b>outside track</b> on rail bottom, web, foot and fishing plane with two coats of thickness of 100 microns each by bituminous black paint conforms to IS-9862 of reputed make including surface preparation, as a complete job with contractors men, tools, plant, labour, material, consumables etc as per procedure prescribed in latest edition of IRPWM and as directed by Engineer –in -charge.		
(a)	For 60 Kg Rails	RM	46.68
(b)	For 52 Kg Rails	RM	41.47
NS-HQ-USSOR-2019-04	Anti-corrosive painting of rail on <b>running track</b> of any sleeper density on web, foot etc. including liner contact area (excluding bottom of foot) and fishing plane as per requirement with two coats of thickness of 100 microns each by bituminous black paint		

**File No. SCR-HQ0ENGG(SOR)/8/2020-Dy CE/WORKS/SCR**

	confirms to IS-9862 of reputed make including painting of liners, ERCs and including surface preparation, as a complete job with contractors men, tools, plant, labour, material ,consumables etc as per procedure prescribed in latest edition of IRPWM and as directed by Engineer-in-charge. <b>Note:</b> 60% of payment shall be made if painting on only gauge face side is done.		
(a)	For 60 Kg Rails	TRM	64.23
(b)	For 52 Kg Rails	TRM	57.07

5. The following notes are to be incorporated in Special Conditions of tender.

Rate of items includes

- i. Cost of labour, materials, tools & plants, Machinery, transportation to the site of work, all lead & lift, handling, re-handling, erection, testing, supervision, & Maintenance for executing the work at site in all respect, unless mentioned specifically otherwise in the description of an item, required for design, fabrication, execution, and testing the work, in conformity with all applicable codes, specifications, manuals, guidelines etc.
- ii. GST & Other taxes, royalties, duties, Cess, levies, or any other fees that may be payable under any central Govt. ,state Govt. or any other local bodies Acts or rules , mandatory insurance, profit etc.
- iii. NS rates includes 1% water charges ,15% Contractor's profit & 12% GST hence necessary precautions should be taken to avoid double provision of these elements while preparing Estimates.

6. No separate NS items should be operated by Division/Construction organisation in this regard.

This issues with the approval of PCE.
