हमारा परिचय/ ABOUT US

The institute was established in 1976 as 'Technical Training Centre' and subsequently renamed as Supervisors' Training Centre since 21.09.1978. The STC is spread over a area of 5 acres and is located centrally in Secunderabad. The institute is surrounded by gardens, breeze of various trees, bushes and shrubs and is enlivened by chirping of birds with peaceful and Gurukul environment for systematic learning. The ever-green campus always resounds with sweet twittering of hundreds of birds.

All mandatory courses are conducted as per the Training Modules approved by Railway Board as well as the various need-based programmes designed to suit present requirement of training needs of Supervisors of various departments viz., Mechanical, Stores etc. of SCR. It also caters the requirement of SR, ICF & RWF as and when required.

हमारे उद्देश्य/ OUR OBJECTIVES

- To impart qualitative training to all supervisory grade trainees and upgrade their knowledge in various aspects of Mechanical Department and Stores Departments.
- To inculcate dedicated work culture wrapped with safety habits among the trainees to achieve maximum productivity.
- To conduct seminars on important topics covering various aspects in Railway working with special attention on safety and quality of service.
- To introduce new courses as and when the necessity arises based on the field requirements by continuous interaction with HODs and field officers of various Divisions and Workshops.
- To achieve 100% capacity utilization.
- We continually strive to make and maintain Supervisors Training Centre, Secunderabad as 'Centre of Excellence for Learning'.

प्रशिक्षण कार्य प्रणाली/ TRAINING METHODOLOGY

The Supervisors Training Centre uses a wide range of methodologies, teaching aids, techniques and tools to impart training to the trainees. The choice of method depends upon the target trainee group and their knowledge level and primarily on nature and content of the topic. The training methodology includes classroom lectures, case studies, group discussions, role play and practical demonstration in the model rooms etc. field visit to various railway establishments like production units, yards, workshops, diesel sheds and various private/public sector undertakings is organized. The faculty uses multi-media equipment such as LCD overhead projector, LED display screens, and computer-based training apart from giving notes and handouts to the trainees. The guest lectures on Welfare, Health, D&AR, ECA and HOER etc., have been incorporated in the course content of various training courses. The eminent academicians and experts including retired Officers are also invited as visiting faculty to deliver lecture on various subjects of Indian railways.

प्रशिक्षणअवसंरचना/ TRAINING INFRASTRUCTURE

The institute is well equipped with 10 classrooms which are spacious with inbuilt facilities to support learning environment. Imparting skills and knowledge to trainees by allowing physical perception of different equipment and components are available in the form of cut models, drawings, diagrams and charts etc. which are used for better understanding. A separate seminar hall with all latest configurations with a seating capacity of 100 participants is available. The institute is also equipped with four state-of-the-art laboratories viz., Diesel, C&W, Welding and Mechatronics labs. Various actual models of different bogies of rolling stock are also available to facilitate the in-house field visit. The training institute is equipped with diesel electric loco and C&W trainers.

सूचनाप्रौद्योगिकी/ INFORMATION TECHNOLOGY

It is the endeavor of STC to develop a strong information technology support. A well equipped computer laboratory (air conditioned) with Pentium based multiple PCs are used for training and multimedia with LCD projectors has been added for presentation and view of video cassettes, CDs etc. various e-learning packages in the fields of C&W, Diesel, Welding and Mechatronics are available. The computer centre is equipped with Railnet connection to browse the information available on World Wide Web.

पुस्तकालय/ LIBRARY

The library is the richest one having with around 3,650 volumes of books on variegated disciplines of Technical, Management, Finance, Material Management, Personal Management etc. the video library consists of about 110 cassettes and 55 CDs apart from magazines and news papers. A window based library management system has been commissioned for computerization of library functioning.

छात्रावासऔरभोजनसुविधा/ HOSTEL &MESS FACILITY

The Hostel campus consists of 32 self contained furnished rooms accommodated with 96 beds capacity. Out of which 12 rooms with attached bathrooms are earmarked for the lady trainees. A mess is being run by the trainees on 'no profit & no loss' basis to cater the needs of breakfast, lunch & supper to the hostlers. The dining hall capacity is 40 under one roof at a time. For the recreation of trainees a colour TV with cable connection and a DVD player are provided in the hostel. Indoor games like Carom board, Chess and outdoor games like shuttle badminton, Table Tennis, volleyball and basketball are available for recreation to the trainees. Extracurricular activities like Yoga & Meditation, Gymnasium are arranged.
