विषय /Sub: Health Camps by private entities – System Improvement – reg.

संदर्भ/Ref: SDGM/O/SC's confidential Lr.No.G.265/PC/2024/10/00156/A/N/BZA dated
20.03.2025

Please refer to the letter received from Vigilance branch, on the above subject matter.

1. Private entities (private hospitals, clinics, diagnostic centres etc.) should be involved in Medical camps very sparingly and with proper justification.
2. Prior approval of MD/CMS is mandatory before any health camp.
3. For diagnostic facilities not available in the Railway Hospitals, outside hospitals may be involved with proper rotation i.e., same institute/hospital should not be involved each time.
4. The tests ordered in private medical camps are to be thoroughly scrutinized and endorsed by an IRHS doctor.
5. Referrals arising out of medical camps should invariably be given on HMIS.

Proper records are to be maintained and to be available for scrutiny.

Please acknowledge the receipt of this letter.

Enc: as above

(डॉ. निर्मला राजाराम/ Dr.Nirmala Rajaram)
Principal Chief Medical Director
प्रधान मुख्य चिकित्सा निदेशक
